

Pacific Orchid Exposition 2018 – Parking Information for UCSF Garage

Discounted parking is available (4 hours or more) at the UCSF Milberry Union Parking Garage for \$16. Parking is available for less than 4 hours at the regular rate. There will be a shuttle between the parking garage and the Exposition. Follow these directions:

1. The garage is located at 500 Parnassus Avenue. There are two entrances to the garage: one at 500 Parnassus and the other on Irving Street across from 2nd Avenue. You may use either entrance to the garage.
2. Take a ticket from the entry gate and park your car.
3. At the elevator go DOWN to the Irving Street pedestrian exit (lowest level).
4. Wait for the shuttle on Irving Street at the exit from the garage.
5. When you are at the show, ask for a UCSF discount voucher at the show admissions desk. You must have this voucher to obtain the discount if you are parking for 4 hours or more.

Instructions for leaving the garage and using the voucher:

1. When you return to the garage, DO NOT use the machines to pay for your parking. The machines do not accept the voucher.
2. Drive UP to level P8 to exit the garage, and give your gate ticket and voucher to the parking attendant, and pay for your parking. You must pay the attendant to get the discount.
